

This Is Yesterday (Remastered)

Manic Street Preachers

Do not listen to a word I say
Just listen to what I can keep silent
The only way to gain approval
Is by exploiting the very thing that cheapens me
And I stare at the sky
And it leaves me blind
I close my eyes
And this is yesterday
Someone somewhere soon will take care of you
I repent, I'm sorry, everything is falling apart
Houses as ruins and gardens as weeds
Why do anything when you can forget everything
And I stare at the sky
And it leaves me blind
I close my eyes
And this is yesterday
