My Destination

Boston

And feelin' the way I do
Wouldn't last a mile without you
When I'm losin' the way
The things that you say, take me thereMy destination
My destination
Is by your side
Right by your sideAnd I, I've taken so long, I know
Never had so far to go
It's not where you can be
It's what you can see that takes you thereYour destination
Your destination
It's here inside
Right here inside
