## When I Was Down

## **Donell Jones**

When I was down you wasn't there for me Pushed my love right out the door At this point I can't take no more

When I was down you wasn't there for me

That's the reason I'm leavin' you

Girl, I'm throughMy all and my everything

She couldn't do no wrong

Until the cash was gone

And she fronted like she cared for me

But what's the possibility that

She was gettin' me for my moneyWhen I was down you wasn't there for me

Pushed my love right out the door

At this point I can't take no more

When I was down you wasn't there for me

That's the reason I'm leavin' you

Girl, I'm throughNo more lies baby, things done changed

I'm not the man I used to be

I gotta look out for me

And after all that we've been through

I can't believe that you would think

That I could love youThings done changed

And my life just ain't the same

And you been tryin' to come back home to me

That ain't gonna happenWhen I was down you wasn't there for me

Pushed my love right out the door

At this point I can't take no more

When I was down you wasn't there for me

That's the reason I'm leavin' you

Girl, I'm throughWhen I was down you wasn't there for me

Pushed my love right out the door

At this point I can't take no more

When I was down you wasn't there for me

That's the reason I'm leavin' you

Girl, I'm throughWhen I was down you wasn't there for me

Pushed my love right out the door

At this point I can't take no more

When I was down you wasn't there for me

That's the reason I'm leavin' you

Girl, I'm through
