## **Time Has Told Me**

## **Nick Drake**

Time has told me You're a rare, rare find A troubled cure For a troubled mindAnd time has told me Not to ask for more For someday our ocean Will find its shoreSo I'll leave the ways that are making me be What I really don't want to be Leave the ways that are making me love What I really don't want to loveTime has told me You came with the dawn A soul with no footprint A rose with no thornYour tears they tell me There's really no way Of ending your troubles With things you can sayAnd time will tell you To stay by my side no, no To keep on trying Till there's no more to hideSo leave the ways that are making you be What you really don't want to be Leave the ways that are making you love What you really don't want to loveTime has told me You're a rare, rare find A troubled cure For a troubled mindAnd time has told me Not to ask for more For some day our ocean Will find its shore
