Ooh La La

Cheri Dennis

ooh yeah
(chorus x2)
ooh la la la la
my skin is getting wet
my clothes is comin off
ooh la la la la
to many on the floor
the club is gettin hot
O baby

who that come through the door
she so crazy
her hourglasses is like two S's
you thought Cheri you guess it
one S for shapely
other one for shaky
Don't wake me I must be dreamin
Shineing like diamonds cut be gleaming
I see you egyptian queen you
