

# Holding On

## Yes

Justice to the left of you  
Justice to the right  
Speak when you are spoken to  
But don't pretend you're right This life's not for living  
It's for fighting and for wars  
No matter what the truth is  
Hold on to what is yours Jigsaw puzzle traitors  
Sent to spill the beans  
Constitution screw up  
Shattering the dreams Blood flows in the desert  
Dark citadels burning too  
Watch, look over your shoulder  
This one is strictly for you Hold on, hold on  
Wait, maybe the answer's looking for you  
Hold on, hold on  
Wait, take your time think it through  
Yes, I can make it through Hold on, hold on  
Sunshine, shine on through  
Hold on, hold on  
Sunshine, shine on you, see it through Talk the simple smile  
Such platonic eye, how they drown in incomplete capacity  
Strangest of them all  
When the feeling calls, how we drown in stylistic audacity  
Charge the common ground Round and round and round we living in gravity  
Shake, we shake so hard  
How we laugh so loud  
When we reach we believe in eternity  
I believe in eternity Hold on, hold on  
Sunshine, shine on, see it through  
Hold on, hold on  
Sunshine, shine on you Hold on, hold on  
Hold on, hold on Sunshine, shine on, shine on you  
Sunshine, shine on through  
Sunshine, shine on, shine on through  
Sunshine, shine on you Sunshine, shine on, shine on you  
Sunshine, shine on through  
Sunshine, shine on, shine on through  
Sunshine, shine on you
