

Lie to Me

[Jonny Lang](#)

Lie to me
and tell me everything is all right
Lie to me
and tell me that you'll stay here tonight Tell me that you'll never leave,
And I'll just try to make believe
That everything you tell me is true Lie to me, go ahead and lie to me
Lie to me, go ahead and lie to me Lie to me
it doesn't matter anymore
It could never be the way it was before
If I can't hold on to you
Leave me with something I can hold onto,
For just a little while won't you let me be Anyone can see
That you love him more than me
But right now, baby, let me pretend
That our love will never end Lie to me, go ahead and lie to me
Lie to me, go ahead and lie to me
Lie to me, go ahead and lie to me
Lie to me, go ahead and lie to me
