

# In Danger

Aaron Fresh

Ohh Noo Noo, No( Verse 1 )  
He Told You Lies For Too Long  
Everyone Can See It But You Now  
Now You Know He Was Wrong , Oh Yeah  
He Gave You Up He Can Give  
Oh i Don't Buy it Like im Stealin  
Just Run Away And Don't Look Back , No(Pre-Chorus)  
Cuz i Don't Wanna See Another Girl Down  
With Her Face in Her Hands Cryin Out Loud  
Cuz i Don't Wanna See it All Again(Chorus)  
Another Girl's in Danger Of Fallin in Love  
With The Wrong One Please Shorty Don't You Rush  
Cuz You're So Beautiful And it Hurts Too Much  
To See You Cry Again  
i'm Taking You Away Starting Here Today  
All You Have To Say is Rescue Me And im Gonna  
Save You, (Uh Huh) Save You  
Another Girl's in Danger Of Fallin in Love  
Save You, (Uh Huh) Save You

With Her Face in Her Hands Cryin Out Loud
