Being Alone

[Aliotta Haynes Jeremiah](#)

well i gave you all the money, gave you my heart too
i picked you up when you were falling down
it didn't matter to you
i picked you up when you were falling down
it didn't matter to you
so i'm letting you know that i'm letting you go
nothing else i can do
the only thing worse than being alone is being alone with you
the only thing worse than being alone is being alone with
na na na na na na na na
na na na na na na na na
i'm tired of sleeping with one eye opened
i'm tired of changing the locks on my door
i can't believe the bad times stories
don't wanna hear them no more
i can't believe the changing stories
don't wanna hear them no more
don't be calling me on the telephone 50 times a day
action speak much louder than words
when there's nothing left to say
so i'm letting you know that i'm letting you go
there's nothing else i can do
the only thing worse than being alone is being alone with you
the only thing worse than being alone is being alone with
na na na na na na na na
na na na na na na na na
i tried everything i could think of, everything i could do
too many lines too many times it didn't matter to you
drawing too many lines too many times it didn't matter to you
don't be calling me on the telephone 50 times a day
action speak much louder than words
when there's nothing left to say
so i'm letting you know that i'm letting you go
there's nothing else i can do
the only thing worse than being alone is being alone with you
the only thing worse than being alone is being alone with
na na na na na na na na
na na na na na na na na
