

# Insecure

Nikki Flores

[Verse 1:]

I'm standing here right in front of you  
They still stay the same  
Then i hear u say I love you  
And my worries disappear  
Makes me wonder why i can't let it go  
Theres no reason why i should feel alone  
But i hide behind my skin afraid of what's within[Chorus:]

It's my insecurity

It's not you it's me

I'm my worst enemy

It's my insecurity

Just wanna be perfect in your eyes

(perfect in your eyes)[Verse 2:]

Now I know that you loved me for me

But its so hard

I've been hurt so many times

But you never lit the sky babyMakes me wonder why i can't let it go

(i can't let it go)

There's no reason why I should feel alone

But I hide behind my skin

Afraid of what's within[Chorus:]

It's my insecurity

It's not you it's me

I'm my worst enemy

It's my insecurity

Just wanna be perfect in your eyes

(perfect in your eyes)[Bridge:]

All I really want is love

All I really need is

He's all mine

So tell me why im so lost baby

Of something i already had yeahh[chorus:]

It's my insecurity

It's not you it's me

I'm my worst enemy

It's my insecurity

Just wanna be perfect in your eyes

(perfect in your eyes)
