# Burning Thunder

## Lazer Lloyd

Deep underground, from the valley below,
I hear the siren, hear the whistle blow.
Somewhere beyond me, somewhere I ain't.
I feel the burning thunder blowing through my veins -
from the valley below.
Reborn again. Now I'm something new.
From desolation, yeah the skies turn blue.
Free from addiction, I broke the chains.
Oh yeah, I feel the burning thunder blowing through my veins.
From the valley below, there's a burning thunder.
From the valley below, inside my heart.
It opened up my heart. It opened up my brain.
I feel the real thing over and over again - yeah.
Deep underground, frozen like the dew,
almost forgotten, with no signs or clues.
Too afraid to open, hiding so much pain.
I feel the burning thunder blowing through my veins -
from the valley below.
There's a burning thunder, from the valley below, inside my heart.
Opened up my heart, yeah opened up my brain.
I feel the burning thunder blowing through my veins - from the valley below.
From the valley below. From the valley below. From the valley below.
