

Shoo-Rah! Shoo-Rah!

Betty Wright

You got to wake up early in the morning
You got to stay up all night long
You still won't catch up 'cause I got the warnin'
I got the feelin' you wanna do me wrong Like a ball of lightening and a ball of heat
You wanna knock me right off my feet
But I recognize through the eyes of a fool
That you got the power to make your own rules Shoo-Rah! Shoo-Rah!
Hey, I can see you comin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Hey, I can hear you hummin
Shoo-Rah! Shoo-Rah!
But you wont catch me I can see you movin, movin all around me
I know youre trying to get me upset
I can hear you groovin, thinkin you don't found me
But Im here to tell you, you aint got me yet, no, no Shoo-Rah! Shoo-Rah!
Hey, I can see you comin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Hey, I can hear you hummin
Shoo-Rah! Shoo-Rah!
But you wont catch me I checked you out from the corner of my eye
You and the devil walkin side by side
And you aint changed, lets be real about it
And I cant change how I feel about it Shoo-Rah! Shoo-Rah!
Hey, I can see you comin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Hey, I can hear you hummin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Said, I can see you comin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Hey, I can hear you hummin
Shoo-Rah! Shoo-Rah!
But you wont catch me Shoo-Rah! Shoo-Rah!
Hey, I can see you comin
Shoo-Rah! Shoo-Rah!

But you wont catch me, no, noShoo-Rah! Shoo-Rah!
Hey, I can hear you hummin
Shoo-Rah! Shoo-Rah!
But you wont catch me, noShoo-Rah! Shoo-Rah!
