

# Money

## Lit

I think I want my money back  
This isn't what I thought it would be  
This isn't what you promised me  
So I think I change my mind  
I think we ought to get it back  
to where we should of started from  
I know I should of been upfront  
but I can't help myself  
Oh can you steal it  
Deal it  
Feel it  
with your hands on my back  
If I could change your mind I'd be just fine,  
but you won't change mine  
and you get what coming to you  
and I get mine  
So lets get back to where we should of started from  
I know I should of been upfront,  
but I can't help myself  
Oh can you see it  
read it  
feel it  
with my hands on your back  
If I could change your mind I'd be just fine,  
but you won't change mine  
and you get what's coming to you  
and I get mine so lets get back  
If I could change your mind  
I'd be just fine  
Yeah it's the money  
Yeah its the money that i want  
It's the money  
Yeah it's the money that I want  
It's the money  
Yeah it's the money that I want  
It's the money  
yeah it's the money that I want
