Drive-In

Crazy Cadillac

Every time I have a date there's only one place to go
That's to the drive-in
It's such a groovy place to talk and maybe watch a show
Down at the drive-in
Forget about the plot, it'll do very well
But make sure you see enough, so you're prepared to tell
About the drive-in
I love the drive-in
(We love the drive-in, we love the drive-in)
If the windows get fogged you'll have to take a breath
Down at the drive-in
Or the cat dressed in white will scare you both to death
Down at the drive-in
A big buttered popcorn and an extra large coke
A few chili dogs and man, I'm goin' broke
Down at the drive-in
Yeah, at the drive-in
(We love the drive-in, we love the drive-in)
Don't sneak your buddies in the trunk
'Cause they might get caught by the drive in
And they'd look kinda stupid gettin' chased through the lot
Around the drive in
If you say you watch the movie you're a couple o' liars
And "Remember, only you can prevent forest fires"
Down at the drive-in
I love the drive-in
(We love the drive-in, we love the drive-in)
Down at the drive-in
I love the drive-in
(We love the drive-in, we love the drive-in)
Down at the drive-in
I love the drive-in
(We love the drive-in)
