

Song to My Parents

Keith Green

I need to say these things 'cause
I love you so
And I'm sorry you get angry when I say that
You just don't knowThat there's a heaven waiting
For you and me
I know it seems every time we talk
I'm only tryin' to just make you seeAnd it's only that I care
I really only want
Just to see you therePlease try and overlook my
My human side
I know I'm such a bad example
And you know I'm so full of prideBut Jesus isn't like that
No He's perfect all the way
I guess that's why we need Him
Cause by ourselves, there's just no wayAnd it's only that I care
I really, really only want to see you there
Just to see you thereClose the doors
They're just not comin'
We sent the invitations out long, long, long, long time ago
We're still gonna have a wedding feast
Big enough to beat them all
The greatest people in the world just wouldn't come
So now we'll just have to invite the smallAnd it's only that I care
I really, really only want
Just to see you thereIsn't that Jesus?
Isn't that Joseph and Mary's son?
Well, did He grow up right here?
He played with our childrenWhat! He must be kidding
Thinks He's a prophet
Well, prophets don't grow up from little boys
Do they? From little boys?
Do they?
