Blake Mills

Come, husk your limbs to my floor
Bones sucking stones, her coming storm
Under the lights you went
Chemical ashes head down
Heart on a diamond thread
Fennel and lashes wet down Ohh, ohhh... Young star, hanuted lynx
Ring of silver, om
I want your bones inside my bones
Under the lights we went
Wearing our chimes we bled out
Fennel and lashes wet
Heart on a diamond thread now
You're making me sweat sweat sweat my love down deep into your bones
You're making me sweat sweat sweat my heart down deep into your soul
I can't take it
Ohh, ohhh... You're making me sweat sweat sweat my love down deep into your bones
You're making me sweat sweat sweat my heart down deep into your soul
I can't take it
