

Greedy Awful People

The Stooges

I used to like my neighborhood
It really made me feel good
Until they brought a church and steeple
Greedy awful people

They drive those fuckin' awful cars
And go to rich and shitty bars
Greedy awful people

I'm sad and lonely baby
'Cause I can't live among my class
I'm thinkin' only baby
About scorin' your piece of ass

They buy the channels on T.V.
And visit every place they see
And ruin it instantly
Greedy awful people

They always clap on the wrong beat
They're wearin' loafers on their feet
Greedy awful people

I'm sad and lonely baby
Because I can't live among my class
I am thinkin' only baby
About scoring your piece of ass

'Cause I'm upper class
Greedy awful people
They bother me so
I don't wanna know
Greedy awful people
Throw 'em in a hole
I get all out of control
Greedy awful people
This is the last chorus
I don't wanna bore us

Hey!

Greedy awful people
