

Take Me Where I Wanna Go (feat. VanVelzen)

Armin van Buuren

Close your eyes.

Open up.

No need to be afraid.

I hear you calling...Take me where I wanna go.

Let it in before it's gone... gone.

You tell me what I need to know.

It keeps me holding on.Holding on.

Hold on.

Keeps me holding on.

No, no...

Oh...

Yeah...

Yeah...

You take me where I...

Take me where I...

You take me where I...

You take me where I wanna go!!!Oh...

Yeah...

Yeah...
