

# Tripping

## Dead Heaven Cowboys

First they ignore you, then laugh at you and hate you

Then they fight you, then you win

When the truth dies, very bad things happen

They're being heartless againI know it's coming

There's gonna be violence

I've taken as much

As I'm willing to takeWhy do you think

We should suffer in silence?

When a heart is broken

There's nothing to breakYou've been mixing with some very heavy faces

The boys have done a bit of bird

They don't kill their own when they all love their mothers

But you're out of your depth son, have a wordI know it's coming

There's gonna be violence

I've taken as much

As I'm willing to takeWhy do you think

We should suffer in silence?

The heart is broken

There's nothing to breakAll is wonderful in this life

Dreaming of the sun she warms

You should see me in the afterlife

Picking up the sons of dustWhen you think we're lost, we're exploring

What you think is worthless, I'm adoring

You don't want the truth, truth is boring

I got this feverNeed to leave the house, leave the car

Leave the bad men where they are

Leave a few shells in my gun

And stop me staring at the sunI know it's coming

There's gonna be violence

I've taken as much

As I'm willing to takeWhy do you say

We should suffer in silence?

My heart is broken

There's nothing to breakI know it's coming

There's gonna be violence

I've taken as much

As I'm willing to takeWhy do you think

We should suffer in silence?

The heart is broken

There's nothing to break
