Become the Beast

Karliene

I've always been a hunter
Nothing on my tail
But there was something in you
I knew Could make that changeTo capture a predator
You can't remain the prey
You have to become
An equal
In every waySo look in the mirror
And tell me, who do you see?
Is it still you?
Or is it me?
Become the beast
We don't have to hide
Do I terrify you
Or do you feel alive?Do you feel the hunger
Does it howl inside?
Does it terrify you?
Or do you feel alive?Splinters of my soul
Cut through your skin
And burrow within
Burrow withinSplinters of my soul
Cut through your skin
And burrow within
Burrow within
So embrace the darkness
And I will help you see
That you can be limitless
And fearless
If you follow meWe are the lions
In a world of lambs
We are the predatorsThe hunters
The hunters
The huntersBecome the beast
We don't have to hide
Do I terrify you?
Or do you feel alive?Do you feel the hunger
Does it howl inside?
Does it terrify you?
Or do you feel alive?Splinters of my soul

Cut through your skin
And burrow within
Burrow withinSplinters of my soul
Cut through your skin
And burrow within
Burrow withinSplinters of my soul
Cut through your skin
And burrow within
Burrow withinSplinters of my soul
Cut through your skin
And burrow within
Burrow withinDo you feel the hunger
Does it howl inside?
Does it terrify you?
Or do you feel alive?
