Time

Hans Zimmer

Here I am this is me
There's no where else on earth I'd rather be
Here I am it's just me and you
And tonight we make our dreams come true
It's a new world it's a new start
It's alive with the beating of young hearts
It's a new day it's a new plan
I've been waiting for you
Here I am
Here we are we've just begun
And after all this time our time has come
Ya here we are still going strong
Right here in the place where we belong
It's a new world it's a new start
It's alive with the beating of young hearts
It's a new day it's a new plan
I've been waiting for you
Here I am
Here we are we've just begun
Here I am this is me
There's no where else on earth I'd rather be
Here I am it's just me and you
And tonight we make our dreams come true
It's a new world it's a new start
It's alive with the beating of young hearts
It's a new day it's a new plan
I've been waiting for you
It's a new world it's a new start
It's alive with the beating of young hearts
It's a new day it's a new plan
Here I am
Here we are we've just begun
Here I am next to you
And suddenly the world is all brand new
Here I am where I'm gonna stay
Now there's nothing standing in our way
Here I am this is me
