

Forecasting

Our Last Night

We've fallen down on our way to the top
(on the way to the top)

I'm trying to find the right words
(i'm trying to find the right words)

We've almost lost our grip on this
And as we look up at the edge
(as we look up at the edge)
We find gravity (defying us)
And now we're face first in a fist full of set backs

We'll make our way to the top
We'll pave the way to the top
We'll take this next step onward
Because we can't afford to look back now
Don't look back down

We'll take the next step onward
Listen in for the voices
Listen in for the voices

The forecast said the storm would miss
We knew they were wrong
When the wind rushed in

We'll take the next step onward
Because we can't afford to look back now
Don't look back down

We'll take the next step onward
Listen in for the voices
Listen in for the voices

And while you're looking for the doctor
I'll be looking for the medication
I'll be looking for
Whoa, medication

And while you're looking for the doctor
I'll be looking for the medication

I'll be looking for
Whoa, medication
And while your looking for...
