## Broken Social Scene Presents: Kevin Drew

Cats and crafts, put you in a tiny box  
That's filled with our victims  
Who can't explain  
How they love their moms And all the hands that retreat  
They try to slip right down their pussy  
But there's nothing  
That you thought is wrong But you are too beautiful to fuck  
You're too beautiful  
You are too beautiful to fuck  
You're too beautiful Slice my eyes, took me through  
Another night that goes all night through  
Tries to seize  
What their hearts have lost My best friend  
Took me in and laid me  
Down beside my own sin  
And I said, "Can you please forgive the love?" Cause you are too beautiful to fuck  
You're too beautiful  
You are too beautiful to fuck  
You're too beautiful
