

I Remember

Tyga

It's been a long damn time since a nigga sold dope

But if you put a brick right in front of me

I remember

Baking soda and a triple bean, I remember

Load a fully auto magazine, I remember

I done fucked so many bitches

That I can't remember names

But if you put that pussy right up in my face

I remember

Drop that pussy down on the floor

I remember

The way she coming down on the pole

I remember

Pop the pussy, don't play with it

I don't care if Kanye hit it,

I don't care if Jay hit it

I'ma eat it up and I'ma lay with it

We shot a chop at the gun range

Got stupid cars, got dumb change

Red bottoms, let the tongue hang

Got a off white Porsche, come stains

I'm whipping work, I remember

Roll up that purp, I remember

Pour up that syrup, I don't remember

I thought she had that purple slushie

coming out that blender

Got a Kesha, got a Rhonda

Got a Anisha, got a Tanya

Got a Ticia, and a Honda

And I eat her, Anaconda

Got condoms in that condo

Got kush greener than rondo

Still hit you up for that blow

You already know

[Hook]

It's been a long damn time since a nigga sold dope

But if you put a brick right in front of me

I remember

Baking soda and a triple bean, I remember

Load a fully auto magazine, I remember
I done fucked so many bitches
That I can't remember names
But if you put that pussy right up in my face

I remember
Drop that pussy down on the floor
I remember
The way she coming down on the pole

I remember
Got a Rolls Royce, got a black Benz
Got a bad bitch with some bad friends
She bring them through and I fuck them
But I don't fuck with them in public
Got random bitches just walking up
They be like do you remember us
She show me that tat on her ass
And I be like ?I remember?
Chop it up like a blender,
I fuck then I be friend her
Got a red bitch call her Ginger
Ass cash on my agenda
You buy the bitch, you rent her
She took your cash and I sent her
That pussy proolly so tight
Calling that shit a legal tender
Hold up, hold up, hold up, hold up
That's a young nigga dinner
Feast your eyes to a fucking line
That's visine nigga, never cry
We were young niggas, wilding out
Talking shit to niggas that's 35
Your daughter pull in my driveway
I smash that in over-drive

It's been a long damn time since a nigga sold dope

But if you put a brick right in front of me

I remember
Baking soda and a triple bean, I remember
Load a fully auto magazine, I remember
I done fucked so many bitches
That I can't remember names
But if you put that pussy right up in my face
I remember
Drop that pussy down on the floor

I remember
The way she coming down on the pole
I remember.
