

Imagine The Swan

The Zombies

Well I have a picture in color of you
And it's there in my room to remind me of you
So it was with surprise that I saw you today
And I did not recognize you, girl, what more can I say? For the colors are gone
You've become kind of gray
And you're not like the swan
That I knew yesterday Now the pictures are wrong
You've become kind of gray
I imagine the swan
That you were yesterday The sadness that I felt was hard on my eyes
And the truth on my face was hard to disguise
So I let you walk by
I turned out of your way
And I tried to close my eyes
And let the sadness fall away For the colors are gone
You've become kind of gray
And you're not like the swan
That I knew yesterday Now the pictures are wrong
You've become kind of gray
I imagine the sway
That you were yesterday
