[Verse 1 - Lil Wayne]
You know me girl
I'm a cash money millionaire look at my Rolie (Rolex) girl
Drop to your knees top ya hair, ah ah slow me girl
Now hit it strong, won't be long, now catch it slowly girl
No he didn't say that, yes I did girl
I don't use rubbers, and I don't plan no kids girl
I don't want your number, I want your trouble, in ya skins girl
Then after that, you can get it how you live girl
That's on the real girl, I'm a pimp girl
Get it twisted, I'll slam you like Shawn Kemp girl
I know my neck get it hot like a lighter girl
I just slap you a couple of times, never fight it girl
That's cause I likes it girl
And let me tell you somethin girl, I am a player girl
So don't you try to play me cause I never save a girl
Do me a favor girl, and wet the spot girl
And after you back it up, drop it like its hot girl

[Chorus - Lil Wayne]
Now after you back it up then stop
What, what, wha drop it like its hot
