Boiler

999

Boiler, boiler
Boiler, boiler
Boiler, boiler
Boiler, boilerGot high heel shoes and a leopard skin slags
PVC and mack over her back
Bright red lips, a right to smack
If you forget yourself, they'll smack you backI don't care
You don't careBoiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boilerI don't care
You don't careShe's got hips that tease and it just can't be
She tries so hard to mesmerize me
Her legs are so long so you all can't see
The way she talks, it's in the wrong keyI don't know
You don't knowBoiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boilerI don't know
You don't knowShe's done and tried it all before
There's no solution anymoreBoiler, boiler
Boiler, boiler
Boiler, boilerHer ass, it's arrived and something's wrong
And to find it out won't take you long
She tries to make you think she's smart
To talk you down and break your heartI don't see
You don't seeBoiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boilerI don't see
You don't seeBoiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boilerI don't care
You don't careBoiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
B-b-b-b-boiler, boiler
