A Walk To Remember

Kyla

I'll always remember it was late afternoon
It lasted forever but ended so soon
Yeah, you were all by yourself
Staring up at a dark gray sky, I was changedIn places no one will find
All your feelings so deep inside
(Deep inside)Was there that I realized
That forever was in your eyes
The moment I saw you cry
(The moment that I saw you cry)It was late in September and I've seen you before
You were always the cold one but I was never that sure
You were all by yourself
Staring up at a dark gray sky, I was changedIn places no one will find
All your feelings so deep inside
(Deep inside)Was there that I realized
That forever was in your eyes
The moment I saw you cry
(The moment that I saw you cry)I wanted to hold you
I wanted to make it go away
I wanted to know you
I wanted to make your everything, all rightI'll always remember it was late afternoonIn places no one will find
All your feelings so deep inside
(Deep inside)Was there that I realized
That forever was in your eyes
The moment I saw you cry
(The moment that I saw you cry)I think I saw you cry
The moment I saw you cry
I wanted to know you, I wanted to know you
