

# A Walk To Remember

Kyla

I'll always remember it was late afternoon  
It lasted forever but ended so soon  
Yeah, you were all by yourself  
Staring up at a dark gray sky, I was changed In places no one will find  
All your feelings so deep inside  
(Deep inside) Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry) It was late in September and I've seen you before  
You were always the cold one but I was never that sure  
You were all by yourself  
Staring up at a dark gray sky, I was changed In places no one will find  
All your feelings so deep inside  
(Deep inside) Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry) I wanted to hold you  
I wanted to make it go away  
I wanted to know you  
I wanted to make your everything, all right I'll always remember it was late afternoon In places no one will find  
All your feelings so deep inside  
(Deep inside) Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry) I think I saw you cry  
The moment I saw you cry  
I wanted to know you, I wanted to know you
