

# If She Could See Me Now

Jason Aldean

Wasn't a stone I didn't throw  
When I wrecked it  
My foolish words so cool and cold  
Were disconnected

Tell me why  
When she cried  
All I did was close my eyes

[Chorus]  
If she could see me now  
If she could see me breaking down  
Maybe she'd turn around  
If she could see me now

Now the sunshine feels like rain  
Trying to drown me  
And the world feels out of place  
All around me

So I wait  
And I pray  
That I run into her someday

[Chorus]  
So many things I wish I could tell her  
Show her  
Just how bad I really need her  
Miss her  
Love her

If she could see me now  
If she could see me breaking down  
Maybe she'd turn around

[Chorus]

If she could see me now
