Too Hot to Handle

Duke Robillard

Well I wanted you so long 'cause you looked so good to me
Didn't know how deep the water was when I jumped the creekYou're too hot to handle You're too hot to handle
I bit off more than I could chew, baby, when I started loving youWell you got me where you want me, tell me whatcha gonna do
You know I just can't stop loven youYou're too hot to handle You're too hot to handle
I bit off more than I could chew, baby, when I started loving youI was so crazy over you I didn't care about your past
'Cause all I wanted, baby, was a love that lastsYou're too hot to handle You're too hot to handle
I bit off more than I could chew, baby, when I started loving youWell now look it here, baby, part-time love won't do
If I'm going to be your man I gotta be your lover tooYou're too hot to handle You're too hot to handle
I bit off more than I could chew, baby, when I started lovin youYou're too hot to handle You're too hot to handle
I bit off more than I could chew, baby, when I started loving you
