

# What I Like

## Triple Image

(Oh yeah, that's what I like)  
I'm just waking up, wanna go for a ride  
But I can't drive so I step outside  
And I go for a walk to see my boyfriend  
If he ain't home, I'll leave a message on his cell phone  
I love to just have a good time  
Chilling at the movies with my friends  
And I know I'm just doing what I like  
I'm keeping it real, no need to pretend  
I may be young but I know what I like  
And I don't really care what they say about me  
I'm just having fun and I'm feeling alright  
Don't knock me 'cuz I'm keeping it tight  
Just doing what I like  
Now I feel like dancing, wanna dance all night  
I hear the music playing and that's what I like  
I like to sing my songs and do my thing  
And I don't see nothing wrong if I just wanna hang  
I like seeing your hands up in the air  
And I like watching all the cute boys stare  
At me just doing what I do  
And this goes out to all of you, yeah  
I may be young but I know what I like  
And I don't really care what they say about me  
I'm just having fun and I'm feeling alright  
Don't knock me 'cuz I'm keeping it tight  
Just doing what I like  
Like and you wanna groove  
With me so come on and won't you feel the beat?  
And do what you like for me  
'Cuz that's what I like to see  
I may be young but I know what I like  
And I don't really care what they say about me  
I'm just having fun and I'm feeling alright  
Don't knock me 'cuz I'm keeping it tight  
Just doing what I like  
Dancing I like, movies I like  
Cuties I like, singing I like  
Talking I like, chilling I like

And I wanna see you do what you wanna do  
That's what I like, what I like  
That's what I like  
That's what I like
