Better Than Me

Sister Machine Gun

Advisory - the following lyrics contain explicit language:

[CHORUS]
Burnin' is my condition, baby now,
Burnin' with everything that I see.
Burnin' is my solution, baby now,
I know you think that you're better than me.[musical interlude](I know you think that you're better than me)I can barely feel like anything.
I can barely see.
I can walk over broken glass,
That cuts like a razor through my fantasies.I can be whatever I want to.
It doesn't matter to me.
I sit and stare at this gun,
Pointed at my head and think about all the possibilities.[CHORUS]I never needed to feel any self control.
I never had to believe,
In anything, but my desire to never be,
What you tell me to be.I can die whenever I want to.
It doesn't matter to me.
Take the easy way out,
To end all of my responsibilities.[CHORUS (x2)][music to end]
