# Cool Coconuts

## I Monster

It's been far to long,
I don't know your face,
I'm not having fun
I want to get away
The sargent he is cruel,
He makes me march all day
He treats me like a mule,
I don't want to stay

[Bridge]

Cuz theres rats in the hole in the floor,
and theres bugs crawling under the door
and the snakes hanging down from the trees
oh god get me out of here please

[Chorus]

Cool coconuts and you,
It's what im dreaming of when I get home
and what Id love to do,

Cool coconuts and you,
Its what im longing for, an open door.
I got to get out soon.

Its too hot out here
In this desert zoo
I could kill a beer
And the sargent too
Oh my head is soar
and my feet are worn
But what im waiting for is to run on home

[Bridge]

Cuz theres rats in the hole in the floor,
and theres bugs crawling under the door
the ants are all fighting the fleas

oh god get me out of here please

[Chorus]

Cool coconuts and you,
It's what im dreaming of when I get home
and what Id love to do,

Cool coconuts and you,
Its what im longing for, an open door.
I got to get out soon.

[instrumental break]
