Be My Yoko Ono

Barenaked Ladies

If theres someone you can live without
Then do so

And if theres someone you can just shove out Then do soYou can be my Yoko Ono You can follow me wherever I go

Be my, be my, be my Yoko OnoIsnt it beautiful to see two people so much in love?

Barenaked as two virgins hand in hand and hand in glove

Now that Im far away it doesnt seem to me to be such a pain

To have you hanging off my ankle like some kind of ball and chainYou can be my Yoko Ono

You can follow me wherever I go

Be my, be my, be my Yoko OnoBe my Yoko Ono

Here we go, our life is one big fun

Oh no, here we go as Yoko singsI know that when I say this

I may be stepping on pins and needles

But I dont like all these people

Slagging her for breaking up the BeatlesDont blame it on Yokey!

If I was John and you were Yoko,

I would gladly give up musical genius

Just to have you as my very own, personal VenusHit it!You can be my Yoko Ono

You can follow me wherever I go

Be my, be my, be my, be my Yoko OnoBe my, be my, be my, be my, be my Yoko Ono

Be my, be my, be my, be my Yoko Ono

Be my, be my, be my, be my Yoko Ono
