

# By-tor And The Snow Dog

## Rush

Tobes of Hades, lit by flickering torchlight  
The netherworld is gathered in the glare  
Prince By-Tor takes the cavern to the north light  
The sign of Eth is rising in the air  
By-Tor, knight of darkness  
Centurion of evil, devil's prince  
Across the River Styx out of the lamplight  
His nemesis is waiting at the gate  
The Snow Dog, ermine glowing in the damp night  
Coal-black eyes shimmering with hate  
By-Tor and the Snow Dog  
Square for battle, let the fray begin
