Too Real

Kerwin Du Bois

Gyal how yuh bad so
How yuh bad so
How yuh rude so
Ah wanna take ah little piece of that,
Jus geh meh permission tuh wuk yuh
[Wuk yuh]
Cuz when yuh whining gyal ah doh wah
Interrupt yuh.
See ah tellin yuh baby
de way yuh behaving
When yuh whine like that tell yuh body
Tuh stop yuh.

Oh lawd ah wanna go down,
Go down
Leh me see that waistline go round,
Go round
Bubble tuh de baseline you cyah
Siddung
Gyal you cyah siddung
Doh stick now we cyah go wrong
Ah you gat de realest bumpah in dis town
Is de way yuh move it up and down
And de size ah de shape its de way
That yuh whine and yuh jiggle up yuh waist.

That bumpah is too real
It dangerous
Ah wan ah whine but it lookin
Dangerous
Ah wan ah whine but it could
Be danger
And I just want tuh grind on you gyal
It too real,
It dangerous
Ah wan ah whine and it lookin
Dangerous
Ah wan ah whine but it could
Be danger

And I just want tuh grind on you.

Yuh was born fuh dis
Ah givin it all fuh dis
Yuh wukin up and ah like it so
Ah say yuh was born fuh dis
Ah love de way yuh performin dis
When yuh whinin baby whoooaaaa.

Gyal yuh make meh build ah sweat,
Build ah sweat
And we in my net, in my net
No,
Ah watchin yuh whine and yuh know
That ah watchin yuh so that yuh
Dip and go down low
Make meh build ah sweat,
Build ah sweat
And we in my net ohh,
Now ah wonder how that ting behind yuh
Does feel, it too real yeah.

Ah get in position tuh wuk yuh
Lock yuh, look gurl
Ah gonna do some ting baby doh
Leh me stop yuh
No,
Stop keep de ting goin
Feelin like we floatin
Ah wanna jam tuh de ground but ah doh want
Tuh rush yuh.

Oh lawd, oh gyal ah wanna go down,
Go down
Leh me see that waistline go round,
Go round
Bubble tuh de baseline you cyah
Siddung
Gyal you cyah siddung
Doh stick now we cyah go wrong
Ah you gat de realest bumpah in dis town
Is de way yuh move it up and down
And de size ah de shape its de way
That yuh whine and yuh jiggle up yuh waist.

That bumpah is too real
It dangerous
Ah wan ah whine but it lookin
Dangerous
Ah wan ah whine but it could
Be danger
And I just want tuh grind on you gyal
It too real,
It dangerous
Ah wan ah whine and it lookin
Dangerous
Ah wan ah whine but it could
Be danger
And I just want tuh grind on you.

Yuh was born fuh dis
Ah givin it all fuh dis
Yuh wukin up and ah like it so
Ah say yuh was born fuh dis
Ah love de way yuh performin dis
When yuh whinin baby whoooaaaa.

Gyal how yuh bad so
How yuh bad so
How yuh rude so
Ah wanna take ah little piece of that,
How yuh bad so
How yuh bad so
How yuh rude so.

That bumpah is too real
It dangerous
Ah wan ah whine but it lookin
Dangerous
Ah wan ah whine but it could
Be danger
And I just want tuh grind on you gyal
It too real,
It dangerous
Ah wan ah whine and it lookin
Dangerous
Ah wan ah whine but it could
Be danger
And I just want tuh grind on you.
