

Sweet Dreams

Emmylou Harris

Sweet dreams of you
Every night I go through Why can't I forget you
And start my life a new
Instead of having
Sweet dreams about you You don't love me it's plain
I should have known you'll never wear my ring I know I should hate you
The whole night through
Instead of having
Sweet dreams about you Sweet dreams of you
Every night I go through Why can't I forget you
Start loving someone new
Instead of having
Sweet dreams about you Instead of having
Sweet dreams about you
