Sweet Dreams

Emmylou Harris

Sweet dreams of you

Every night I go throughWhy can't I forget you

And start my life a new

Instead of having

Sweet dreams about youYou don't love me it's plain

I should have known you'll never wear my ringI know I should hate you

The whole night through

Instead of having

Sweet dreams about youSweet dreams of you

Every night I go throughWhy can't I forget you

Start loving someone new

Instead of having

Sweet dreams about youInstead of having

Sweet dreams about you
