

# Don't Take My Mind on a Trip

## Boy George

I never thought you'd feel this way  
The way you feel about me  
I just wanna hold you tight  
Real tight close to me And the things you used to say  
And the things you used to do  
I let it go  
'Cause I love you so And the things never go my way  
Why do you always have to play  
With my feelings  
'Cause Oh, yeah, it's not the way we planned it Don't take my mind on a trip  
'Cause to play me for a fool  
You don't love me that ain't cool  
No, no Don't take my mind on a trip  
Don't take my love for granted  
'Cause that's not the way  
We planned it Always going out at night  
Playing games on me  
Telling me all those lies  
'Cause you been seen with another guy Everybody makes mistakes  
Don't you know that it's okay  
I still love you so  
I just can't let you go And it's not that I'm a fool  
I'm just so in love with you  
I can't stand the blues  
'Cause Oh yeah it's not the way we planned it, oh, yeah  
Don't take my mind, don't, don't treat like a fool Don't take my mind on a trip  
'Cause to play me for a fool  
You don't love me that ain't cool  
No, no Don't take my mind on a trip  
Don't take my love for granted  
'Cause that's not the way  
We planned it It's not the way we planned it  
That's not the way, yeah, yea  
Don't take my mind on a trip  
Trip, trip, trip, trip Don't take my mind on a trip  
'Cause to play me for a fool  
You don't love me that ain't cool  
No, no Don't take my mind on a trip  
Don't take my love for granted

Its not the way we planned it  
Its not the way we planned itDont take my mind  
Takin' my mind on a tripDont take my mind on a trip  
'Cause to play me for a fool  
You dont love me that aint cool  
No, noDont take my mind on a trip  
Dont take my love for granted  
'Cause that's not the way  
We have plannedDont take my mind on a trip  
Its not the way we planned it, oh, yeah  
Dont take my mind on a trip  
Ooh, yeah, yeah, yeahI'm gettin' wild  
Dont take my mind on a trip  
Take me on a trip  
Don't, don't treat me like a fool  
Takin' my mind on a tripI'm gettin' wild  
Dont take my mind on a trip  
Take me on a trip  
Takin' my mind on a trip, oh, yeahI'm gettin' wild  
Take me on a trip  
Takin' my mind on a trip  
Take me on a trip
