Just One (Acoustic)

Sweet California

One heart, One Sun, One Life, Just One
Sometimes I wake too late and my day is wasted
Inside my heart can't take when my mind is racing
Time to decide if I wanna se those places
And I know you feel the sameIf you pick me up, i'll pick you up
Cause we know we both need saving
I'll help you out, so help me out
It's only us who can changeSo we'll keep running, running, running
'Til we see the sun
And we'll find it someday
Gotta keep going, going, going
'Til our time has come
And we'll find our own way
Turn on your life now, you can't fight the countdown
Gotta keep going, going, going while the light is in
Cause you only get oneOne heart, One Sun, One Life, Just OneToday gonna live each second, I refuse to waste it
'Cause they say a heart may break and you can't replace it
So let's go outside and show them we can make it
And I know you feel the sameIf you pick me up, i'll pick you up
Cause we know we both need saving
I'll help you out, so help me out
It's only us who can changeSo we'll keep running, running, running
'Til we see the sunAnd we'll find it someday
Gotta keep going, going, going
'Til our time has come
And we'll find our own way
Turn on your life now, you can't fight the countdown
Gotta keep going, going, going while the light is in
Cause you only get oneOne heart, One Sun, One Life, Just OneLive in it, Live in it, Love in it, Love in it
Open your eyes to the light
Live in it, Live in it, Love in it, Love in it
Only get one, live it right
Oh let's Live in it, Live in it, Love in it, Love in it
Open your eyes to the light
Open your eyesWe'll keep running, running 'til we see the sun
Find it someday
Gotta keep going, going 'til our time has come
We'll find our own waySo we'll keep running, running, running
'Til we see the sun

And we'll find it someday
Gotta keep going, going, going
'Til our time has come
And we'll find our own way
Turn on your life now, you can't fight the countdown
Gotta keep going, going, going while the light is in
Cause you only get oneOne heart, One Sun, One Life, Just One x3
