### Verse 1

They pushed him to the ground yesterday  
His hands were full of roses and his head a crimson smile  
That day he stood hanging from a tree  
Ooh hoo hoo ooh hoo ooh hoo ooh hoo x2

I looked into his eyes full of knives  
He failed to recognize me with a devil in his palm  
That day we ate our supper around the tree  
Ooh hoo hoo Ooh hoo ho ho Ooh hoo x2

### Verse 3

The saviour of the world was my son  
My given flesh and blood infused with love glowing bright  
That day he stood hanging from a tree  
Ooh hoo hoo Ooh hoo ooh hoo hoo x6
