Once upon a time
Before all this mess began
I never felt alone
On stoling
Simple into it
Was it an world of make believe
You could take me by the hand
And IÂ'd follow

Hear my voice
Did you see me coming
I made a choice
And now IÂ'm running
Turn me round
Let me go
Take me home

Never thought IÂ'd see the day
When my life was not my own
I would throw it all away
Without sorrow
But it couldnÂ't change a thing
WouldnÂ't change the way I feel
For todayÂ's the price I pay for tomorrow

Hear my voice
Did you see me coming
I made a choice
And now IÂ'm running
Turn me round
Let me go
Take me home

Somehow suddenly
ItÂ's slipped away from me
I reach out hopelessly
YouÂ're gone

Hear my voice
Did you see me coming

I made a choice
And now Iâ'm running
Turn me round
Let me go
Take me home

Hear my voice
Did you see me coming
I made a choice
And now Iâ'm running
Turn me round
Let me go
Take me home
