

# London, Can You Wait

Gene

My kith and kin  
I have sinned  
I didn't hear the siren, or see him giving in  
My kith and kin  
I have sinned, again  
He said  
"London, can you wait  
For all the things I have to say  
London, can you wait?" My kith and kin  
I have sinned  
The alarm rang loud, the lights were on  
And I didn't see a thing  
My kith and kin  
Death just walked in, again  
He said  
"London, can you wait  
For all the things I have to say  
How long can you wait?" I was having the time of my life  
So why did you have to die?  
I'm lost  
Again
