

Everybody Needs Somebody to Love

West End Orchestra and Singers

Everybody loves somebody sometime
Everybody falls in love somehow
Something in your kiss just told me
That sometime is now Everybody finds somebody someplace
There's no telling where love may appear
Something in my heart keeps saying
My someplace is here If I had it in my power
I'd arrange for every girl to have you charms
Then every minute, every hour
Everybody would find what I found in your arms Everybody loves somebody sometime
And though my dreams were overdue
Your love made it all worth waiting
For someone like you If I had it in my power
I'd arrange for every girl to have you charms
Then every minute, every hour
Everybody would find what I found in your arms Everybody loves somebody sometime
And though my dreams were overdue
Your love made it all worth waiting
For someone like you
