Advisory - the following lyrics contain explicit language:

You are cut off
Breaking the ice
You are cut off
All the I would
Judge more shuts
. .someone shows me I can drink
They dont seem to really care I want what I want
They dont really understand is a . my declare
I like . carry on floor
You are cut off
Breaking the ice
You are cut off
All the I would
Judge more shuts
This means war it always seem to have this way
. understand . who the fuck you think you are
Dont you hear me . I dont see your problem
Is mostly a blurr .
You are cut off
Breaking the ice
You are cut off
All the I would
Judge more shuts
