

I Adore You (feat. Chris Quilala)

Jesus Culture

Mercy falls from Your heart down on me

Glory streams from Your face so lovely

A million words could not describe

How marvelous Your perfect light I adore You

I will sing it with all my heart

I adore You

I love everything You are That my heart, beats to the rhythm of Your heart

That my eyes focus on Your beautiful eyes

A million tongues could not express

How beautiful Your holiness My life is yours and will be forever

My love is yours All songs written by Phil Wickham? 2006 Seems Like Music (BMI) / Wickham Music (BMI)
