## Coldplay

There's a wild wind blowing,  
Down the corner of my street  
Every night there the headlights are glowingthere's a cold war coming,  
On the radio I heard  
Baby it's a violent worldOh love don't let me go  
Won't you take me where the streetlights glow  
I could hear it coming  
I could hear the sirens sound  
Now my feet won't touch the groundTime came a-creepin'  
Oh and time's a loaded gun  
Every road is a ray of light  
It goes o-o-on  
Time only can lead you on  
Still it's such a beautiful nightOh love don't let me go  
Won't you take me where the streetlights glow  
I could hear it coming  
Like a serenade of sound  
Now my feet won't touch the groundGravity release me,  
And don't ever hold me down  
Now my feet won't touch the ground.
