

# The Killing Type

Amanda Palmer

i wouldnt kill to win a war  
i dont get what they do it for  
its all so terribly vague  
i see the pictures from a thousand years of battle  
and i think its such a bore  
i walk new orleans with a knife  
like mackie hidden out of sight  
but id be useless if they jumped  
im really not the killing typeim not the killing type  
im not the killing type  
im not im not  
im not the killing type im notive got a picture of your mum  
before the war when she was young  
shes got an etching to her right  
i think its funny that shes looking to the left and its her soni wouldnt kill to get you back  
and ive officially been asked  
i couldnt kill to save a life  
id rather die a peaceful piece of shit-bait shame-filled coward  
thanks  
im not the killing type  
im not the killing type  
im not im not  
im not the killing type im notbut i would kill to make you feel  
i dont mean kill someone for real  
i couldnt do that, it is wrong  
but i can say it in a song a song a songand im saying it  
NOW  
im saying it  
SO  
even if you never hear this song somebody else would know  
im saying it  
NOW  
im saying it  
SO  
even if you never hear this song somebody else will know  
know know knowi just cant explain how good it feels  
i just cant explain how good it feels  
i just cant explain how good it feels  
i just cant describei once stepped on a dying bird

it was a mercy killing  
i couldnt sleep for a week  
i kept feeling its breaking bonesi heard  
that if you see a star at night  
and the conditions are just right  
and you are standing on a cliff  
then you can close your eyes  
and make a wish  
and take a step  
and change somebodys lifeim not the killing type  
im not the killing type  
im not im not  
im not the killing type im notbut i would kill to make you feel  
id kill to move your face an inch  
i see you staring into space  
i wanna stick my fist into your mouth and twist your arctic heartyes  
i would kill to make you feel  
i dont mean kill someone for real  
i couldnt do that, it is wrong  
but i can say it in a song a song a song  
and im saying it  
NOW  
im saying it  
SO  
even if you never hear this song somebody else would know  
im saying it  
NOW  
im saying it  
SO  
even if you never hear this song somebody else would know  
know know know  
i just cant explain how good it feels  
i just cant explain how good it feels  
i just cant explain how good it feels  
i just cant describe ibe ibe ibe
