Give Me Words To Speak

Aaron Shust

Calloused and bruised/ dazed and confused
My Spirit is left wanting something more
Than my selfish hopes/ and my selfish dreams
I'm lying with my face down to the floor
I'm crying out for more
Give me Words to speak
Don't let my Spirit sleep
'Cause I can't think of anything worth saying
But I know that I owe You my life
So give me Words to speak
Don't let my Spirit sleep
Every night, every day/ I find that I have nothing left to say
So I stand here in silence awaiting Your guidance
I'm wanting only Your voice to be heard
Let them be Your Words
I just don't understand this life that I've been living
I just don't understand (x2)
I just don't understand these lies I've been believing
I just don't understand (x2)
